## Doctor of Nursing Practice

Because you care enough to lead

[onlinenursing.regiscollege.edu](http://onlinenursing.regiscollege.edu)

# Prepare to shape the future of health care with a Doctor of Nursing Practice.

You are a talented, caring nurse ready to play a larger role in health care. While providing the best possible patient care has been your focus, now you want to impact health care from a leadership position. Earning your online Doctor of Nursing Practice from Regis can position you to accomplish your goals.

At Regis, you'll receive a doctoral-level education in evidence-based practice that prepares you to lead change in health care delivery, improve patient outcomes, and educate future generations of nurses.

Among The Princeton  
Review's "Best Regional  
Colleges"

## You have a passion for top-notch care, and you're ready to do more.

The health care field is facing several challenges, and you're ready to stand up and provide solutions. Whether it's dealing with changing health care policies, the aging population, or the ongoing nursing shortage, you want the knowledge and skills to positively impact the future of health care. An online DNP from Regis can prepare you for leadership roles where you can do just that.

### Choose from 2 concentrations:

#### Nurse Education

Study instructional methods, curriculum design, assessment methods, and regulatory issues to teach the next generation of nurses in an academic setting.

#### Nurse Leadership

Study informatics, regulatory issues, organizational structures, and more for director, management, and executive positions.

## The Regis College Online DNP Curriculum

In as few as 24 months, you can earn your Doctor of Nursing Practice online. Regis College offers three start times per year – Fall, Spring, and Summer.
